## Garden Stock Warranty Policy

Means Nursery, Inc. extends a one year warranty and will issue a store credit for any plant (see exclusions) that has been properly planted, watered and cared for, but has failed to live.

- Bring back the dead plant, and
- Present their original receipt

We are sorry, but no replacements or store credits will be issued without a sales receipt. Means Nursery, Inc. will replace a plant only once. Replacement plants have no warranty. Credits are based on the original purchase price. Refunds cannot be given in cash or check.
