

# Pansy

A staple of fall planting.  
Pansies are often the best  
choice for cool-season color

Follow us on Facebook!  
@Means Nursery

## Sunlight

Thrive best in full sun during cooler months or partial shade in warmer months

## Water

Keep moist, not waterlogged

## Hardiness

Self-seeding Perennial, hardy in zones 3-8

## Bloom

Can bloom all winter in zones 7 and higher, only petering out in the coldest of winter or hottest of summer
